

4/23/2012

Dear Parents and Neighbors of PS 29:

Re: Exterior Masonry, Flood Elimination, Parapets and Roof Project

Please note that for the rest of the week, the School Construction Authority (SCA), working with the General Contractor, will be completing probes and removing terra cotta to facilitate the upcoming project.

Because for Safety concerns, the playground will be closed during this time.

After this phase of the project, the playground will be available for use to the community on Saturday, February 25th, 2012.

In the future, the SCA will notify you of any other playground closures.

The SCA apologizes for the inconvenience and thanks you for your patience.

Regards,

Yvette Knight
